ACTIVE INGREDIENT:
Ortho Boric Acid 99.00%
OTHER INGREDIENTS: 1.00%
Total 100.00%

Enforcer® Roach Ridd® with Boric Acid

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

To control cockroaches, ants and silverfish: Scatter under and behind refrigerator, stove, sink, dishwasher, washing machine and dryer, tubs; into openings around drains, water pipes and electrical conduits; and in cracks and crevices along baseboards and corners of cabinets, cupboards and closets. Remove all lower drawers in kitchen and bathroom cabinets, bedroom drawers and chests of drawers, then liberally scatter in drawer wells. The amount to be applied will vary with the site but should usually be in the range of 0.5 lbs. per 1000 sq. ft.

Directions for Applying in New Construction to Control Cockroaches: When treating large areas, such as wall voids, soffit and subcabinet voids in new and existing construction, liberally dust using dusting application equipment.

This product may be used in homes, restaurants, markets, schools, warehouses, factories, offices, hotels, motels, hospitals, nursing homes, garages, grocery stores, apartment buildings, new construction, industrial plants, theaters, ships, boats, trains, trucks, yachts, campers, mobile homes, buses, zoos, kennels, military bases, libraries, utilities and sewers. Reapply if infestation returns, but not more than once every 30 days. Brush powder visible after application into cracks and crevices or remove. Apply only in areas inaccessible to children and pets. Do not use in edible product areas of food handling establishments, restaurants or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed. Do not contaminate feed and foodstuffs.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals
CAUTION: Harmful if swallowed. May cause eye irritation. Avoid eye contact. Thoroughly wash with soap and water after use.

FIRST AID

If Swallowed: Immediately call a poison control center or doctor for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

If in Eyes: Hold eye open and rinse slowly and gently with water for 15 - 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

You may also contact 1-877-541-2016 for emergency medical treatment information.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

Storage: Store in cool, dry (preferably locked) storage area inaccessible to children and pets.

Disposal: Nonrefillable container. Do not reuse or refill this container. Offer for recycling, if available.
