# High Performance Maintenance Products and Equipment for the Transportation Industry

## Why Zep?

Founded in 1937, Zep has been serving maintenance and repair facilities, and equipment/vehicle operators ever since. We:

- Deliver high performance products that work right the first time.
- Understand that time is money.
- Share compliance expertise at the national, state/province and county level.
- Are up-to-date on the VOC regulations and offer green alternatives.
- Maintain ISO 9001 and ISO 14001 certification for top quality production.
- Provide local and direct sales reps that are focused on delivering customer solutions.

## Zep Specializes In Transportation Needs

Zep provides an assortment of high-performance products and services that transportation companies use every day.

- Heavy-duty degreasers for multiple equipment and tool applications (RTU and concentrated).
- Aerosol penetrants, lubricants, and corrosion protectors.
- Greases for both high-performance needs and every-day value.
- Parts Washers and pressure washers backed by a service network.
- Hand care.
- Ground maintenance and support (e.g. insecticides/herbicides).
- Green products in all of our categories that still perform to exceed your needs.
- We provide shop audits for compliance and safety risks and make custom recommendations.
- We work to earn your business the old fashioned way through service, expertise and great products.

## HAND AND SKIN CARE

### CHERRY BOMB NPE FREE

Prod.: M603

#### Heavy-Duty Hand Cleaner with Abrasive

- Heavy-duty industrial strength hand cleaner for cleaning oil, greases and stubborn soils
- Uses pumice as abrasive for deep cleaning hands to remove ground in soils, and contains emollients to protect hands from drying out
- Neutralizes petroleum odours
- Key users include maintenance shops, tool and machine shops, truck and equipment repair facilities, etc.

4-1 gal/cs  
M60323C

### GRIP

Prod.: 0912

#### Heavy-Duty Hand Cleaner

- Heavy-duty hand cleaner utilizing scrubbing beads to remove ground in dirt and grease
- Uses mild low odour solvents to easily remove heavy soils like oils and greases
- Enriched with Aloe Vera which is mild on hands and leaves skin smooth
- Key users include maintenance shops, tool and machine shops, truck and equipment repair facilities, etc.

4-1 gal/cs  
91224C

### TKO NPE FREE

Prod.: M601

#### Heavy-Duty Hand Cleaner with Scrubbing Beads

- Liquid heavy-duty hand cleaner for cleaning oil, grease and stubborn soils
- Solvent-free
- Uses poly-beads as abrasive and contains emollients to keep skin from drying out.
- Key users include mechanics, factory and industrial workers and repair and service personnel

4-1 gal/cs  
M60123C

### REACH NPE FREE

Prod.: M600

#### Extra Heavy-Duty Hand Cleaner

- Reach is a strong grease remover enriched with lanolin and other emollients to reduce chapping and drying of hands
- Fortified with a pumice, solvent and detergent blend for the removal of stubborn industrial soils such as grease, tar, carbon, oil and asphalt
- Key users include maintenance shops, tool and machine shops, truck and equipment repair facilities, etc.

4-1 gal/cs  
M60023C

### D-4000 PLUS DISPENSER

Prod.: 6001

#### Hand Soap Dispenser

- Constructed of anodized aluminum and reinforced nylon for a durable, versatile unit that is nearly indestructible
- Stainless steel pumping mechanism is resistant to corrosion, rust and abrasion
- 4-position adjustment controls amount being dispensed
- Holds 1 gallon bottle

1 Unit  
600101C

## HAND AND SKIN CARE

### SHELL SHOCK

Prod.: 0849

#### Heavy-Duty Hand Cleaner with Soy Solvents & Walnut Shells

- Shell Shock is a heavy-duty, soy-based hand cleaner, which uses walnut shells as the abrasive component for cutting stubborn soils such as grease, tar, oil, carbon and others
- Free of petroleum solvents
- Key users include manufacturing plants, fleet maintenance facilities and other facilities where grease and grime are prevalent

4-1 gal/cs  
84923C

## SOLVENT-BASED DEGREASER

### I.D. RED (Aerosol)

Prod.: 0096

#### Fast Evaporating Degreaser

- Excellent heavy-duty industrial degreaser for cleaning oil, grease, dirt, tar and lubricants from parts, molds and equipment.
- Fast evaporating solvent leaves no detectable residues
- Key users include manufacturers, maintenance and electrical shops, fleet vehicle maintenance shops and other repair facilities

12/cs  
9611C

## WATER-BASED DEGREASERS

### MORADO SUPER CLEANER

Prod.: 0856

#### Heavy-Duty, Multi-Purpose Cleaner & Degreaser

- Morado is a concentrated, economical, highly alkaline cleaner and degreaser for extra heavy-duty industrial use
- This product's powerful formula quickly and efficiently removes a variety of greasy and carbonaceous soils not readily penetrated by ordinary cleaners
- Do not use this on aluminum
- Key users include engine rebuilders, fleet and heavy equipment maintenance and repair facilities, manufacturing plants, machine shops and others

4-4 L/cs  
85654C

20 L pail  
85647C

210 L drum  
85676C

### FORMULA 50

Prod.: 0859

#### Heavy-Duty Alkaline Cleaner

- Formula 50 is a heavy-duty all-purpose cleaner and degreaser with extreme versatility
- Contains a superior proven combination of ingredients that rapidly removes dirt, grease and oil from a variety of surfaces
- When used as directed this product will not harm surfaces, including aluminum
- Key users would include fleet truck maintenance facilities, factory maintenance shops, machine shops and other facilities where a versatile product is needed

## LUBRICANTS/PENETRANTS/GREASES

### Zep 45 DUAL FORCE

Prod. : 3743

#### Dual-Action Penetrant/Lubricant

- Superior dual-action penetrant and lubricant that doesn't compromise one for the other
- Versatile application allows for a fine mist spray pattern for broad applications or a straw for pinpoint streaming in tight areas
- VOC compliant for all current regulations
- Loosens parts that are frozen due to wear, corrosive action or heavy-duty build-up of grease or grime
- Key users include fleet vehicle repair facilities, manufacturing maintenance shops, tool and machine shops

12/cs  
374301C

### Zep 45 NC

Prod. : 0149

#### Penetrating Lubricant Containing PTFE

- Dramatically reduces friction and provides a continuous wear resistant that lubricates and protects all moving parts
- Loosens parts that are frozen due to wear, corrosive action or heavy-duty build-up of grease or grime
- Prolongs the useful working life of all machinery and reduces down time and maintenance cost
- Non-flammable
- Key users include machine shops, heavy equipment repair services, metal fabricators and industrial machinery manufacturers

12/cs  
14911C

### Zep 2000

Prod. : 4164

#### High-Pressure Lubricant Aerosol

- High pressure, clear lubricant with high adhesive strength
- This product sprays out as a thin liquid, allowing it to penetrate the tightest of areas, and then rapid evaporation allows grease to set up quickly
- Strongly adheres to surfaces and resists throw-off and squeeze-out when subjected to extreme pressures, vibrations or repeated impact while providing long lasting lubrication
- Key users include metal fabricators, equipment rental and leasing services, fleet maintenance shops, heavy equipment maintenance shops, farm machinery and equipment, railroads, manufacturing, etc.

12/cs  
416411C

# TRANSPORTATION

## CLEANERS

### Zep 40

Prod. : 0144

#### Non-Streaking Cleaner for Non-Conductive Surfaces

- Rapidly removes dirt, fingerprints, grease and a variety of other oily and water-soluble soils
- Non-streaking
- Good for glass, chrome and stainless steel – not recommended for film-tinted windows or Plexiglas
- Key users include fleet maintenance and cleaning facilities, manufacturing facilities, machine shops and metal fabricators

12/cs  
14411C

### FLASH

Prod. : 0723

#### Heavy-Duty Concrete Cleaner

- Zep Flash is a premium grade concrete floor cleaner
- Powerful combination of active ingredients rapidly penetrates, cuts and lifts dirt, grease and other grime from the surface of concrete and masonry floors
- Contains no caustic soda and will not harm concrete floors when used as directed
- Key users include industrial manufacturing plants, fleet maintenance facilities, maintenance shops, machine and tool shops and others where unfinished concrete floors are present

## VEHICLE CARE/CLEANERS

### T'N'T

Prod.: 0376

#### Truck and Trailer Wash

- Premium liquid truck and trailer wash formulated to remove exhaust deposits, road film and bug residues from painted and unpainted surfaces in one application with minimal brushing
- Highly versatile, this product can be applied with high or low pressure, in hot or cold water
- For best results apply with high pressure and hot water – rinse with high pressure
- Highly effective at cleaning and, in most cases, the need for manual brushing is reduced
- Key users include truck and fleet washing facilities, truck leasing dealers and truck washes

4-4 L/cs 37654C	20 L pail 37647C	210 L drum 37676C	1000 L tote 37689C S.O.
--------------------	---------------------	----------------------	----------------------------

### BLUE MARVEL 2000

Prod.: G244

#### Truck and Trailer Wash

- Blue Marvel is an economical, concentrated, high-foaming liquid detergent especially formulated for brush-type car and truck wash facilities
- High-foaming formula produces thick, stable foam for complete coverage with excellent cling time to vehicle surfaces
- High concentration allows product to be diluted from 1:128 to 1:2000, depending upon the specific application
- Key users include fleet truck washes, commercial heavy equipment washes, etc.

4-4 L/cs G24454C	20 L pail G24447C	210 L drum G24476C
---------------------	----------------------	-----------------------

### FORMULA 4358

Prod.: 0407

#### Heavy-Duty Powdered Detergent

- Designed for efficient use in brush, pressure spray, and manual application
- Removes heavy accumulations of road film and soil
- Rinse-free and spot-free easy cleaning
- Hard water tolerant, biodegradable
- Key users include manual and automatic car wash operations

45 kg drum 40740C
----------------------

### Zep KLEAR

Prod.: 0629

#### Concentrated Liquid Windshield Wash

- Zep Klear is a concentrated liquid windshield washer fluid, anti-freeze and cleaner
- Improves visibility and can be used year round to keep windshields clean and free of dirt, road film, slush and salt
- Aids in the removal of frost, snow, and ice, even at sub-zero temperatures – keeps washer systems from freezing, cracking and breaking
- Key users include fleet maintenance facilities, truck washing facilities, truck rental and leasing facilities, and local passenger transportation agencies

4-4 L/cs 62954C	20 L pail 62947C	210 L drum 62976C

## BRAKE CLEANERS

### **BRAKE WASH (Aerosol)**

Prod. : 0287

#### Heavy-Duty Vehicle Brake Wash

- Brake Wash is a fast acting non-chlorinated solvent aerosol specifically designed for cleaning brake parts
- Fast evaporating and leaves no residue – will not interfere with subsequent brake operations
- Key users include all vehicle and fleet maintenance facilities and repair shops

12/cs  
28711C

### **BRAKE WASH (Liquid)**

Prod. : 0505

#### Heavy-Duty Vehicle Brake Wash

- Brake Wash is a fast acting non-chlorinated solvent specifically designed for cleaning brake parts
- Fast evaporating and leaves no residue – will not interfere with subsequent brake operations
- Key users include all vehicle and fleet maintenance facilities and repair shops

20 L pail  
50535C

210 L drum  
50585C

## PARTS WASHING

### DYNA 143

Prod.: 0366

#### Solvent Cleaner and Degreaser

- Low evaporation rate and vapor pressure assure minimal evaporative loss
- Higher flash point(143°F) as compared to mineral spirits(107°F), reduces flammability hazards of solvent use in the shop area and store room
- Dyna 143 is economical, as it uses virgin solvent – when used in a filtered Zep parts washer, such as the Dyna Brute FB, the solvent is continuously recycled, while particles and oils are trapped in filters for disposal – this also alleviates the need to have waste solvent picked up and disposed of on a regular basis
- Key users include fleet maintenance repair facilities, used parts stores, machine shops, manufacturing maintenance shops and other facilities where a solvent parts washer is needed

20 L pail  
36647C

210 L drum  
36676C

### DYNA BRUTE FB

Prod.: 9641

#### Heavy-Duty Automotive Parts Cleaner

- Heavy-duty, industrial, automotive parts cleaner
- 35-gallon soaking capacity is anchored with four heavy-duty steel legs to prevent tipping
- Comes complete with a dual filter system
- Spring-loaded lid closure
- Safety fusible link melts at 160°F and closes lid automatically in case of fire

1 Unit  
964101C

# TRANSPORTATION

## PAPER/WIPERS

### MERFIN #700 CENTRE PULL TOWEL

Prod. : Q002

#### Centre Pull Towel

- Premium 2-ply centre-pull towel
- Each roll is perforated to deliver only one clean, dry, germ-free sheet to control usage and reduce waste
- White, 8" wide, 700' per roll

6 rolls/cs  
Q00201C

### ULTRAWIPES

Prod. : 8956

#### Large Blue Cloth Wipers

- Solvent-resistant lint-free non-woven cloth is excellent for glass, chrome, metal, and vinyl surfaces
- Use again and again for hands, tools, and equipment
- Can be used wet or dry

450 sheets/cs  
895601C

## ABSORBENTS

### DRY ABSORBENT (WCan)

Prod. : G185

#### Chemical Spill Absorbent

- Absorbs all liquids: oils, water, acids/bases
- Non-abrasiveness makes it safe for use around machinery
- Key users would include fleet vehicle maintenance facilities, machine shops, heavy equipment maintenance facilities, maintenance shops and metal fabricators

26 lb bag  
G18501C

### OIL DRI PREMIUM (ECan)

Prod. : Q099

#### Chemical Spill Absorbent

- Absorbs all liquids: oils, water, acids/bases
- Non-abrasiveness makes it safe for use around machinery
- Key users would include fleet vehicle maintenance facilities, machine shops, heavy equipment maintenance facilities, maintenance shops and metal fabricators

25 lb bag  
Q09925C

## DISPENSING

### DURA SHOT™ SPRAYER

#### Pressurized Liquid Sprayer

- Lightweight anodized aluminum reduces fatigue
- Easy fill
- Twist off cap (no tools required)
- Sprays in vertical and horizontal position
- 24 oz. capacity

1 sprayer  
SP00021C

### D-4000 PLUS DISPENSER

Prod. : 6001

#### Hand Soap Dispenser

- Constructed of anodized aluminum and reinforced nylon for a durable, versatile unit that is nearly indestructible
- Stainless steel pumping mechanism is resistant to corrosion, rust and abrasion
- 4-position adjustment controls amount being dispensed
- Holds 1 gallon bottle

1 Unit  
600101C

### P-100 DRUM PUMP

#### Drum Dispenser

- For dispensing cleaner directly from drums
- Fits 2" drum openings
- Easily adjustable for 20, 35 and 55 gal. drum sizes

1 Pump  
675701C

### SAFETY DRUM PUMP

#### Drum Dispenser for Flammable Liquids

- Steel drum pump equipped with necessary flash suppresser and grounding clamps to safely conduct any static charge from product and containers when being used
- Pump dispenses eight ounces per stroke
- Allows flammable solvents to be pumped safely and easily

1 Pump  
679701C
